(A) From A Singapore member:

Thank you so much for a wonderful tour to the Holy Land. What set it apart from anything I have ever experienced was that it was done with so much heart and love - for God and for each one of us on the tour.

I especially appreciate the times that I spent in conversations with Christine and other fellow pilgrims. I have learnt so much from seeing the deep and abiding love in which they serve God. I saw joy, peace, humility, confidence, discipline and dedication in the demeanour, spirits and lives of God's children in the tour.

It was only after the tour that I found myself more fully appreciating what we had seen, heard and experienced. I am amazed that we covered so much ground and visited so many important sites.

I feel a special closeness to the city [Jerusalem] and to Israel, and have a strong desire to return to Jerusalem for future visits.

--E. Ong (Singapore)
